Election To Pay Canada Pension Plan Contributions

To find out if you had employment on which you can make an election, see the next page.

You can elect to pay Canada Pension Plan (CPP) contributions if:

- you were a resident of Canada for income tax purposes during the year, and you received income from any of the types of employment listed on the next page; or
- you are an Indian registered, or entitled to be registered, under the *Indian Act*, and you earned tax-exempt, self-employed income on a reserve in Canada.

To calculate the amount of your additional CPP contributions, attach to your return a completed copy of Schedule 8, *CPP Contributions on Self-Employment and Other Earnings*. Also attach a completed copy of this form to your tax return, or send it to us separately.
